

Introduction to Computing Improvers

Course Overview

This non-accredited course runs from City Skills Centre, each Wednesday, 9:45 – 12:15 for 9 weeks, starting on 11 September and finishing on 13 November 2024. This is a tutor led improver's course. This course is suitable for those who have completed the Introduction to Computing Beginners course or already have some knowledge of using a computer.

Entry Requirements

This course is designed as a next level beginners' course and is suitable for those that have completed the Introduction to Computing beginners' course or already have some knowledge of using a computer. You must be aged 19+ and be able to complete a short workbook on a weekly basis with the help of your tutor.

Course Fees

0.00

Course Progression

You can only complete this course once. On completion of this course, you may progress onto our Entry 3 Digital Functional Skills Course or one of the other Adult Engagement and Progression courses. Your tutor will advise and discuss the various progression routes available to you. You can also access the College Careers Team to support your progression.

What Happens Next

Apply online via the College website. You will be contacted to attend an interview if required or sent a conditional offer according to the course's entry requirements. You will then be invited to enrol for your chosen course.
