

Introduction to Computing Beginners

Course Overview

This non-accredited course runs from City Skills Centre, each Wednesday, 12:45pm - 3:30pm for 9 weeks, starting on 10 September and finishing on 12 November 2025.

 This is a tutor-led beginner's course. This course is suitable for those who have only a little or no experience in using a computer

What you will learn

During this course you will learn:

 - Identify key computer hardware and software
 - Keyboard skills
 - Using the Desktop
 - Creating, editing and saving files
 - Using a search engine effectively
 - Using email to send and receive
 - Using word processing software to create simple documents
 - Keeping safe online

Entry Requirements

This course is designed as an introduction to computing skills and is suitable for those who have not completed a computing course or used a computer before.

 You must be aged 19+ and be able to complete a short workbook weekly with the help of your tutor.

Course Fees

The cost of the course is £90.00. However, you will not be required to pay a fee for this course if you are in receipt of one of the following benefits:

 - Universal Credit
 - JSA or ESA (Employment and Support Allowance Work Related Action Group)

 There will be no fees if you earn less than £25,000.

Course Progression

You can only complete this course once.

 On completion of this course, you may progress onto our Introduction to Computing Improvers course or one of the other Adult Engagement and Progression courses. Your tutor will advise and discuss the various progression routes available to you. You can also access the College Careers Team to support your progression.

What Happens Next

Apply online via the College website. You will be contacted to attend an interview if required or sent a conditional offer according to the course's entry requirements. You will then be invited to enrol for your chosen course.
