

Accounting AAT Diploma level 3

Course Overview

AAT is a professional and well-recognised accounting technician qualification, providing a practical approach to accounting work. The AAT Level 3 Diploma online builds on basic financial knowledge by teaching complex accounting tasks such as preparing final accounts for partnerships and sole traders, and maintaining cost accounting paperwork. It is suitable for those who have completed the AAT level 2 course or those who are at an intermediate level and looking to develop their existing accounting skills. This is an intensive day release programme which is suitable for apprentices.

What you will learn

During the course you will be required to study the following areas:
 - financial accounts
 - prepare profit and loss balance sheet
 - prepare costs and revenue reports
 - prepare cash flow forecast
 - prepare VAT returns
 - apply professional ethics in accounts and finance
 - use spreadsheets in accounting and finance.

 This is a day release programme.

Entry Requirements

You are required to have completed AAT level 2 and have four GCSEs at grade 4 (C) and above including English and maths.

Course Fees

You will need to renew/take out your AAT membership at a cost of approximately £120 at the start of the course. This is not part of the course materials fees or covered in the student loan.
