

Principles of Care Planning TQUK Certificate Level 2

Course Overview

This is a great course for anyone working in the health and social care sector or looking to change career into the sector. Filling in care plans accurately is a vital part of a social care workers role. Being able to record information clearly, concise and accurately in line with legislation protects the individual and the staff team. It aids continuity of care and promotes the person centred care approach.

What you will learn

The qualification is available as a paper based resources and involves the following units.

 Understanding person centred thinking and planning
 Care planning for the care worker
 Understanding nutrition and hydration in health and social care settings
 Principles of supporting an individual to maintain personal hygiene
 Understanding continence care
 Principles of supporting sleep

 You will receive robust feedback from your tutor looking at how to further develop your understanding of the topic and progress academically.

Course Fees

The level 2 distance learning courses are funded which is great news. The only criteria is that you are over 19, have lived in the EU for the past 3 years and currently live in England.

Course Progression

We have a huge choice of distance learning courses available at both Level 2 and 3. At the end of your course your tutor may suggest a suitable option for you or you can contact the distance learning team to advise you on the courses available. We also have a careers team available via phone email or in person who can help to plan a career pathway for you.

What Happens Next

Apply online via the College website. You will then be invited to enrol for your chosen course of study. You can apply at any point throughout the year and start the course when you like.
