

Understanding Nutrition and Health TQUK Certificate Level 2

Course Overview

Having knowledge of nutrition and how this relates to your health can help prevent the development of several health conditions. The course looks at the dietary requirements of children through to the elderly and why having a nutritionally balanced diet is essential to your well being. We look at what factors influence your diet and how advertising can be very misleading. You are asked to keep a week long food diary so you can compare this to the daily recommendations for someone your age. On average the course takes 14 weeks to complete. The time frame depends on the time you have available and your prior knowledge. Whether working online or with paper materials you are supplied with all the information required to complete the course. The assessments are made up of questions asking you to describe, explain, identify or list information. To be able to pass this qualification answers must be in your own words, using sentences and paragraphs. This course is available online or paper based.

What you will learn

During the qualification you will complete the following 6 units: Explore principles of healthy eating. Consider nutritional needs of a variety of individuals. Use food and nutrition information to plan a healthy diet. The principles of weight management. Understanding eating disorders. Principles of food safety for the home environment. After enrolment, you are given 3 weeks for each submission, but if you require longer please contact the Distance Learning Team and they will happily agree on an extension with you. If you have chosen to complete the course online you will receive a welcome email from Equal, our online learning platform. On there you will see a guidance video explaining how the platform works and you will find your initial submission dates there too. If you have chosen to receive a paper pack these will be sent out to you once you have completed the online enrolment. Your pack will contain a guidance sheet and your submission dates along with information on how to submit your work. This is a distance learning course, meaning all work is completed from home. You do not attend any classes. However, this doesn't mean you can't access support. We have a team of dedicated tutors available to provide any support you might need along the way.

Entry Requirements

You must be over 19. You are asked to describe what you hope to achieve from the course during enrolment. This helps us to provide you with the right advice and ensure you are on the right course and at the right level. If you are not a British Citizen you may have to complete a Fee Assessment to ensure you qualify for government funding.

Course Fees

The Level 2 distance learning courses are funded which is great news. If you are not a British Citizen you may need to complete a Fee Assessment to check funding eligibility.

Course Progression

We have a huge choice of distance learning courses available at both Level 2 and 3. At the end of your course, your tutor may suggest a suitable option for you or you can contact the Distance Learning team to advise you on the courses available. We also have a careers team available via phone email or in person who can help to plan a career pathway for you.
