

TQUK Lean Management Techniques Certificate level 2

Course Overview

To benefit most from this qualification, you must be working in an environment which follows working processes. As part of the course you will look at your working practices and consider ways to make them more effective and reduce waste; in terms of either financial, physical or time.
 This nationally recognised qualification will support your professional development and is highly regarded by those in industry and look great on your CV. It shows employers you are committed to good working practices that save time and money.
 On average the course takes 14 weeks to complete. Time frame depends on the time you have available and your prior knowledge.
 This course is only available online. The assessments are made up of questions asking you to describe, explain, identify or list information. To be able to pass this qualification answers must be in your own words, using sentences and paragraphs.

What you will learn

Unit 1: Lean organisation techniques in business
 1. The features of a lean environment
 2. Performing a productivity needs analysis
 3. Devising a map of a process.
 Unit 2: Business improvement techniques
 1. The principles of the Kaizen strategy
 2. The principles underpinning organisation of a business environment
 3. Using visual indicators to make improvements to the work environment
 4. Eliminating variance from workplace processes
 Unit 3: Effective team work in business
 1. The features of an effective team
 2. Working effectively within a team
 3. What is required of a team leader
 After enrolment you are given 3 weeks for each submission, but if you require longer please contact the Distance Learning Team and they will happily agree an extension with you. This is an online course. Once enrolled you will receive a welcome email from Equal, our online learning platform. On there you will see a guidance video explaining how the platform works and you will find your initial submission dates there too.
 This is a distance learning course, meaning all work is completed from home. You do not attend any classes. However, this doesn't mean you can't access support. We have a team of dedicated tutors available to provide any support you might need along the way.

Entry Requirements

You must be over 19. You are asked to describe what you hope to achieve from the course during enrolment. This helps us to provide you the right advise and ensure you are on the right course and at the right level.

Course Fees

The level 2 distance learning courses are funded which is great news. If you are not a British Citizen you may need to complete a Fee Assessment to check funding eligibility.

Course Progression

Adding this qualification to your CV will enhance your promotion and employment opportunities in any sector.
 We also offer a Level 2 Certificate in team leading, which would complement this qualification. This is available via distance learning.
 The college has a great careers team, please contact them via the website to book an appointment and discuss other great options available to you.
