

Skills Bootcamp - Care Ready Level 2

Course Overview

Starting in September 2025, for 10 hrs a week (Tuesday all day and Wednesday Morning) this free, 12-week Skills Bootcamp is for people aged over 19 who looking for a rewarding career in the healthcare sector where your skills can make a real difference everyday. This face-to-face programme will equip you with essential skills including the Gateway Level 2 award in Health and Care infection control, moving and handling, and person-centred care approaches. You'll learn from industry professionals who bring real NHS and care home experience directly into the classroom. On completion of the course our network of employers will guarantee an interview with local nursing and care homes actively seeking qualified staff. Our dedicated Work Placement Officers will support you throughout the course and beyond, ensuring you're not just job-ready but career-ready. Join us and discover how fulfilling a career in care can be. Apply today and take the first step towards a secure, rewarding future helping others.
