

Centre Stage - Putting on a Show

Course Overview

Ready to take your acting skills to new heights? Join our 7-week Advanced Adult Acting Course, designed for those who have successfully completed beginner and intermediate levels. This course is your gateway to mastering the art of physical theatre.

 What to Expect:

 Creation of a Physical Theatre Performance: Collaborate with fellow actors to craft a unique performance, culminating in a showcase for friends and family in our professional theatre.
 Skill Enhancement: Dive deeper into voice, movement, and text work under the guidance of an experienced theatre director.
 Professional Environment: Experience the thrill of performing in a professional setting, honing your craft in a supportive and dynamic atmosphere.

What you will learn

Advanced Voice Skills and Building Character: Enhance your vocal techniques and develop compelling characters.
 Collaborative Working: Foster creativity and teamwork by working alongside like-minded individuals.
 Devising Text and Movement: Create and perform original pieces through innovative text and movement exercises.
 Creative Collaboration: Work alongside like-minded individuals, fostering creativity and teamwork.
 Showcase Your Talent: Share your hard work and dedication with an audience, gaining valuable performance experience.

Entry Requirements

Completion of the Beginner and Intermediate short courses (P00409 and P00411)

Course Fees

There are no additional costs for this course. Participants are advised to wear comfortable clothing they can move in.

Course Progression

Wishing to take this course even further into professional actor training? Consider enrolling onto a full time acting programme at Leicester College such as the BA (Hons) Acting accelerated degree. Additionally, you may wish to continue your interests in drama and acting working with amateur theatre groups in Leicester City.
