

Allergy Awareness TQUK Certificate level 2

Course Overview

Looking to develop your skills while fitting learning around your existing commitments? This flexible online course allows you to study at your own pace, whenever it suits you. With year-round enrolment, you can start straight away, and submission dates can be adjusted to fit your schedule. Ideal for anyone working with children, this course will help you build your knowledge of allergens, allergies and food intolerances, understand food labelling requirements, recognise the signs of an allergic reaction, and respond safely and confidently, including basic first aid. You'll gain practical knowledge that can be applied in everyday settings while earning a recognised qualification to strengthen your CV. Whether you're new to working with children or looking to refresh your knowledge, this course is a great way to develop your confidence and support your future career

What you will learn

This qualification is completed online using a learning platform containing all the learning and assessment materials. A tutor will review your work and provide feedback and guidance as required to support your successful completion of this qualification. There are 3 units as part of this course. Unit 1: Allergens, allergies and intolerances Unit 2: Food labelling and packaging Unit 3: Allergy awareness for those working with children.

Entry Requirements

You need to be over 19, and not currently studying any other government-funded course. There are some funding eligibility requirements - we can't provide funding in some areas of England and you must be a British Citizen or have settled status, you must also be living in England. On application we will check your eligibility and will signpost you to alternatives should be unable to fund you on this occasion.

Course Fees

Please note that, upon successful completion of your course, you will receive an e-certificate by email. Printed certificates are not provided as standard. Awarding organisations have moved away from issuing physical certificates to support environmental sustainability, reduce their carbon footprint, and make it easier to obtain a replacement certificate if required. If you would like a printed certificate, this can be requested at a cost of £46, payable by the learner.

Course Progression

You might use this qualification to help you secure a new role or promotion at work. It might spark a desire to learn more, if so we have numerous level 2 and 3 qualifications that would compliment this course, such as our level 2 Certificate in Health and Nutrition. You could book an appointment with our National Careers Service Team to find out more.

What Happens Next

Apply online via the College website. You will be contacted to come into College if required, or you will be sent a conditional offer according to the entry requirements for the course. You will then be invited to enrol for your chosen course of study.
